Version 1.10

Release to fix the following issues in February 2024

1. If the remaining battery charge was low, the unit might freeze during startup on rare occasions.
2. The remaining battery charge would not be shown accurately during USB mic use or USB file transfer.
3. Issues related to audio guide pronunciation have been fixed.
4. Other minor issues have been fixed.

Version 1.04

- Released as mass production in February 2024
